

Emergency Evacuation Plans

In case of FIRE:

When fire alarms are activated, move calmly to exits in front and back of sanctuary. Take the staircase down (using hand rails – those with slower pace use right hand lane) towards Stockton Street, moving towards Clay or Washington Street to allow for first responders access. Members with disabilities/wheelchairs will be moved to the landing of staircase in the front of sanctuary to wait for first responders' or members assistance.

Do not use elevator.

In case of EARTHQUAKE:

Drop, Cover and Hold On!

Get under and hold onto a chair, desk, table, or stand against an interior wall. Stay clear of exterior walls, glass, heavy furniture and appliances. After shaking, ascertain whether it is safe to exit the building by front or back staircases.

Do not use elevator.

In case of ACTIVE SHOOTER:

Run, Hide or Defend!

Run - Have an escape route and plan in mind. Leave your belongings behind. Keep your hands visible. **Lock doors in back of sanctuary, move to the front of sanctuary exit down the staircase, through the easement and out to Stockton Street away from church.**

Hide - Hide in an area out of the active shooter's view. **Block entry to your hiding place and lock the doors.**

Defend - As a last resort and only when your life is in imminent danger, attempt to incapacitate the active shooter

1st Floor

Emergency Evacuation Plans

In case of FIRE:

When fire alarms are activated, move calmly to exits in front and back of the first floor. Take the stairs down towards Stockton Street, moving towards Clay or Washington Street to allow for first responders access. Members with disabilities/wheelchairs with assistance will be moved to the side exit of the church through the easement and out to Stockton Street away from the church.

Do not use elevator.

In case of EARTHQUAKE:

Drop, Cover and Hold On!

Get under and hold onto a chair, desk or table, or stand against an interior wall. Stay clear of exterior walls, glass, heavy furniture and appliances. After shaking, ascertain whether it is safe to exit the building by front or back staircases.

Do not use elevator.

In case of ACTIVE SHOOTER:

Run, Hide or Defend!

Run - Have an escape route and plan in mind. Leave your belongings behind. Keep your hands visible. **Exit through the side exit or back of the church through the easement and out to Stockton Street or out of the windows to Stockton Street away from the church.**

Hide - Hide in an area out of the active shooter's view. **Block entry to your hiding place and lock the doors.**

Defend - As a last resort and only when your life is in imminent danger, attempt to incapacitate the active shooter.

2nd Floor

Emergency Evacuation Plans

In case of FIRE:

When fire alarms are activated, move calmly to exits in front and back of second floor. Take the stairs down (using hand rails – those with slower pace use right hand lane) towards Stockton Street, moving towards Clay or Washington Street to allow for first responders access. Members with disabilities/wheelchairs will be moved to the landing of staircase in the back of the church to wait for first responders' or members assistance.

Do not use elevator.

In case of EARTHQUAKE:

Drop, Cover and Hold On!

Get under and hold onto a chair, desk, table, or stand against an interior wall. Stay clear of exterior walls, glass, heavy furniture and appliances. After shaking, ascertain whether it is safe to exit the building by front or back staircases.

Do not use elevator.

In case of ACTIVE SHOOTER:

Run, Hide or Fight!

Run - Have an escape route and plan in mind. Leave your belongings behind. Keep your hands visible. **Lock doors in Fellowship Hall and exit in the back of the church, down the staircase, through the easement and out to Stockton Street.**

Hide - Hide in an area out of the active shooter's view. **Block entry to your hiding place and lock the doors.**

Defend - As a last resort and only when your life is in imminent danger, attempt to incapacitate the active shooter.

Basement

Emergency Evacuation Plans

In case of FIRE:

When fire alarms are activated, move calmly to exits in front and back of basement. Take the stairs up towards Stockton Street, moving towards Clay or Washington Street to allow for first responders access. Members with disabilities/wheelchairs will be moved to the landing of staircase in the front of basement to wait for first responders' or members assistance.

Do not use elevator.

In case of EARTHQUAKE:

Drop, Cover and Hold On!

Get under and hold onto a chair, desk, table, or stand against an interior wall. Stay clear of exterior walls, glass, heavy furniture and appliances. After shaking, ascertain whether it is safe to exit the building by front or back staircases.

Do not use elevator.

In case of ACTIVE SHOOTER:

Run, Hide or Defend!

Run - Have an escape route and plan in mind. Leave your belongings behind. Keep your hands visible. **Lock doors in basement, move to the back of church exit up the staircase through the easement and out to Stockton Street away from the church.**

Hide - Hide in an area out of the active shooter's view. **Block entry to your hiding place and lock the doors.**

Defend - As a last resort and only when your life is in imminent danger, attempt to incapacitate the active shooter
